# The Deep Well Project Mission

Deep Well's mission is "To assist the working poor, the sick and the disabled, in emergency situations to recover and improve the quality of their lives."

Deep Well operates by this motto: " A hand up, not a hand out."

The Deep Well Project is a privately funded, volunteer-based organization that provides food, clothing and other social services to people in need in the Hilton Head Island community.

Deep Well encourages independence. The agency works with clients to establish a plan to see beyond their immediate needs and helps them to make an effort to help themselves, while steadfastly resisting setting up cycles of dependency.

Instead, Deep Well tries to develop a partnership of shared responsibility, with the ultimate goals for its clients to become independent and self-sufficient.

Deep Well is a primary recipient of the First Presbyterian Church and its Missions Ministry. All proceeds from this event will go directly to Deep Well.

# Hilton Head Barbershoppers

The Hilton Head Barbershoppers is an organization of men who love to sing special harmony in a cappella style. The group meets on Mondays at the Country Club of Hilton Head to rehearse for shows ... sing a repertoire of songs ... and just for fun!

A favorite event is delivering **Singing Valentines** in February.

The **annual show** will be held on **March 12 & 13, 2010** at the new 650-seat Visual and Performing Arts Center on the Hilton Head High School grounds. It will be fraternity, football, and fight song fun with special opportunities for college alumni, sorority, fraternity and other group discounts.

Hold the dates and visit our web-site for more details at
